Earl A. McKenzie

DEDICATION

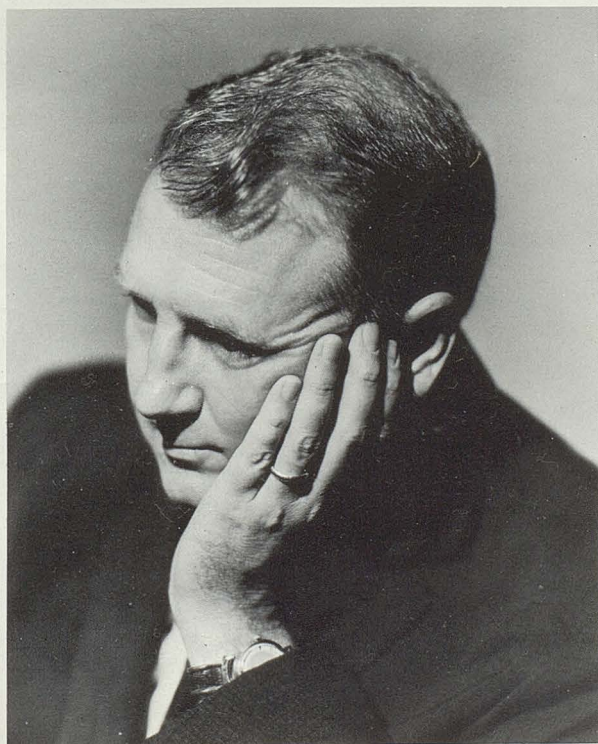

Upon the announcement of his new position as Assistant to the Superintendent, great joy spread through his family. He had achieved another marvelous goal to add to his many other accomplishments.

But to us at Fair Park, we lost a very true and dear friend. In 1949 he started out in the Caddo Parish School System. In the fall of 1954 he began his first big responsibility as principal of Judson Street Elementary School. Here he served with great pride and success until the fall of 1960 when he was appointed principal of Fair Park High School.

When students think of him, they think of the tall well-built shadow at the end of the hall with the air of satisfaction and success around it.

Now as he moves to another way of life, we are sure that he will carry this friendly atmosphere with him—a pleasant smile, a cheerful hello—a dedicated man.

Because his mere acquaintances are lifelong friends, we dedicate this book, the 1967 SEQUOYAH, to Mr. Earl A. McKenzie.

Mr. Johns and Mr. McKenzie talk new business.

"Thanks", from Fair Park

Mr. McKenzie is a member of Mangum Memorial Methodist Church, where he is very active and dedicated. He teaches an adult Sunday School class and is a member of the official board.

As for recreation, Mr. McKenzie plays a fair game of golf and enjoys fishing in the summer time.

Many of us know him as the man who loves peanuts and sports. And as we all know neither goes without the other. In his spare time he enjoys photography, at which he is very talented. This is Mr. Earl A. McKenzie.

Finding Mr. Brantly seated at his desk is a rare occasion.

Our Principal

B. H. Brantly, serving as acting principal last year, took over the leadership of our school for the first time this year. Before taking the principal's chair, Mr. Brantly was a mathematics teacher at Fair Park for seven years and assistant principal for two years. He has two daughters, Barbara and Joan, who graduated from Fair Park. His wife, Mrs. Nellie Brantly, is a teacher at Judson Elementary School.

Being a man of education, Mr. Brantly has the B.S.E. degree and the M.S.E. degree from Hen-

derson State Teachers College. He has continued his studies by attending graduate school at Louisiana State University and University of Arkansas.

His willingness to listen, his ability to reason, his friendly smile, and his admirable look have been imprinted in the students who have graduated from Fair Park.

For a man with a new challenge, Mr. Brantly has made the most of his opportunity. The future Fair Park Indians will surely benefit even more from the guidance of B. H. Brantly.

Mr. Brantly works busily through another day.

An air of success is all around him, no matter what Mr. Brantly is doing.

Becky,
you the sweetest
girl I know besides
my own. Hope you AND
CALVIN make it.

lots of luck

SIBYL W. MURPHY

An assistant principal for eight years now, Mrs. Murphy works closely with both the students and teachers to see that the program of instruction is the best possible system. As part of her many duties, Mrs. Murphy supervises and directs the graduation preparations and also helps students in their future plans; in securing jobs, making college decisions and filling out schedules.

Mrs. Murphy and Mr. Henderson work together as a team.

Assistant Principals

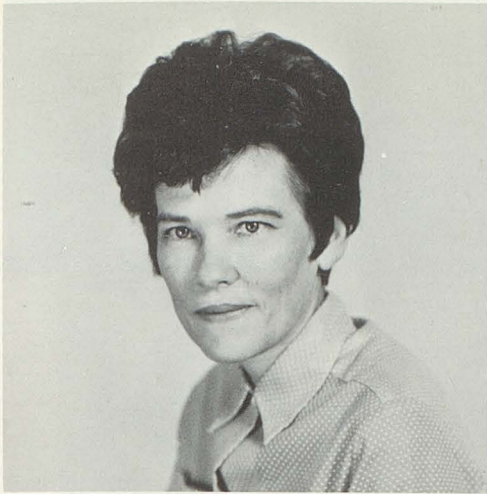

CLEM V. HENDERSON

It is the job of Mr. Henderson to see that discipline is observed while on the Fair Park campus. He handles all out of town trips, student transportation, attendance and building maintenance. Now in his second year as assistant principal, Mr. Henderson also directs the administration and keeps students informed on Indian events and important notices.

Mr. Henderson examines attendance cards.

SAMMIE BANKS

Miss Banks helps plan careers for anxious seniors.

Counselors

Mrs. Carroll assists the counselors during rush hours.

When Fair Park students need guidance, they can always turn to Miss Sammie Banks and Mrs. Virginia Miller. They are guided by the hands of these counselors and given advice on any problem or difficulty. The counselors provide information on colleges and business schools. Through the direction of the counselors, standardized tests of achievement and mental maturity are conducted to give students vocational guidance for the future.

VIRGINIA MILLER

Mrs. Miller is really behind the eight ball.

Secretaries

Five secretaries handle the office work at Fair Park. Because of their efficiency and organization, work done for the school is completed with

accuracy and promptness. These secretaries keep the paper work at Fair Park flowing smoothly to its destination.

Mrs. Hatcher attends to daily business in the office.

Mrs. Morris attends to school accounting.

Miss Franz, Mrs. Reynolds, and Mrs. Paul take time out for a breather after a busy day.

Teacher relationships, a firm example for students.

Anger, not thought, is the only thing troubling Coach Daigle.

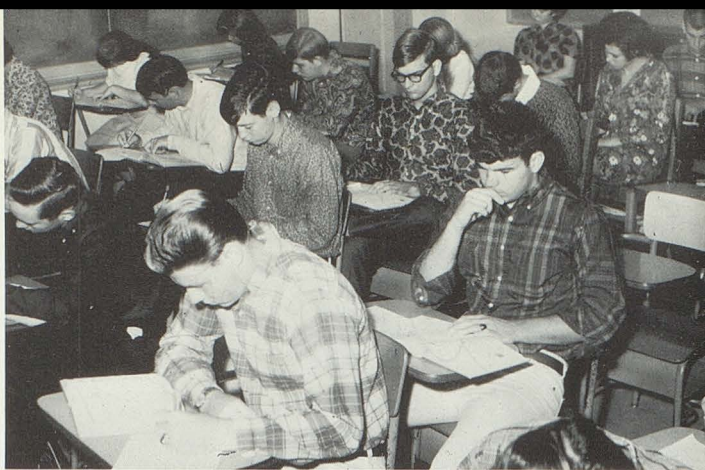

CURRICULUM

Sammie Lou Crews seemed dismayed with Mrs. Hightower's assignment.

Miss Martin's English class requires concentration from most students.

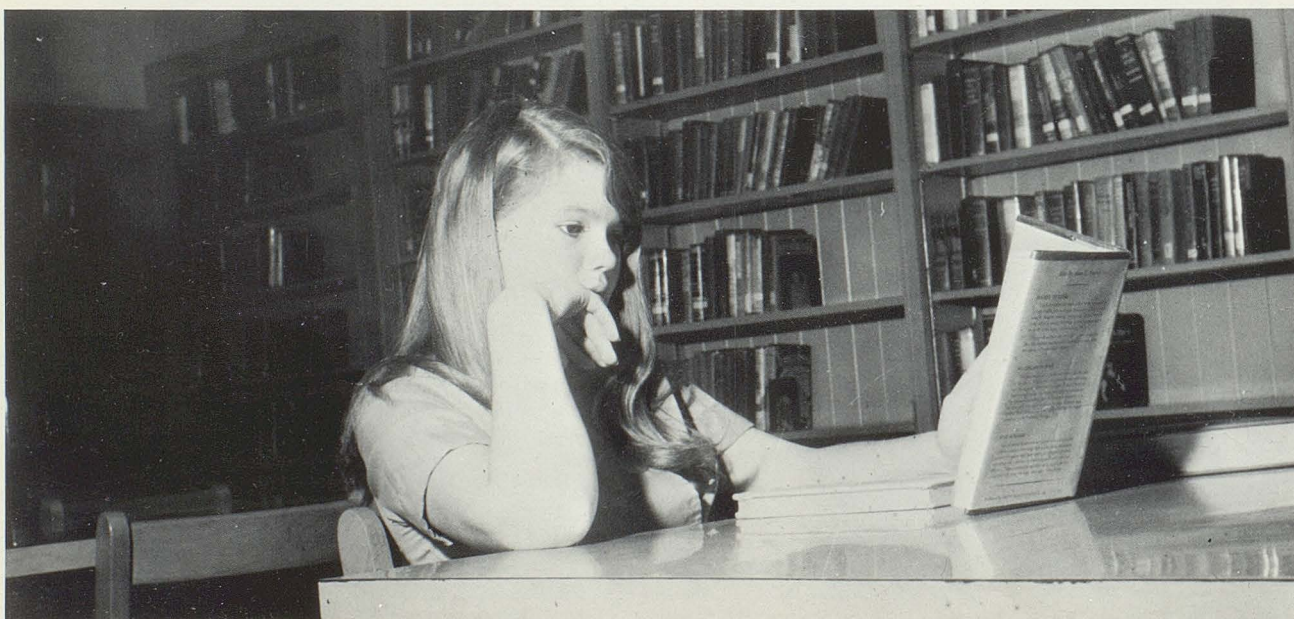

Miss Holland introduces the new vocabulary words to Hazel Brooks.

English

Through the four required units of English, the student learns the fundamentals of English usage and grammar.

Many phases of the English language, such as spelling, writing, and vocabulary teach the basis for effective communication. In addition to the four required units of English, Speech is offered as a further guide to better speaking and communication. Not only the language itself is taught, the students explore beyond the modern English into the background and history of our language, noting its greatest authors and poets.

Paula Terry finds using the library useful in English.

Mrs. Johnson and Larry Kincaid discuss a test question.

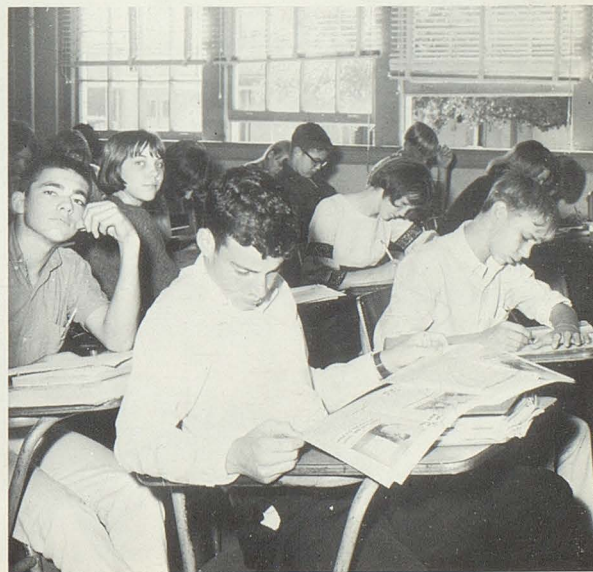

Ruell Dinkins finds his work easier at the teacher's desk.

Mrs. Boone enjoys class as much as her students seem to.

Even English can be interesting at times.

Sophomores find POW WOWS an exciting addition to their English class.

Science Club officers work feverishly planning future meetings.

These students find humorous happenings even in scientific data.

Science

Each student graduating from Fair Park must have completed two units in science. Many various courses such as General Science, Biology, Chemistry and Physics stimulate the mind of the student, making him more aware of nature and the world around him. Students in Biology explore the world of plants and animals.

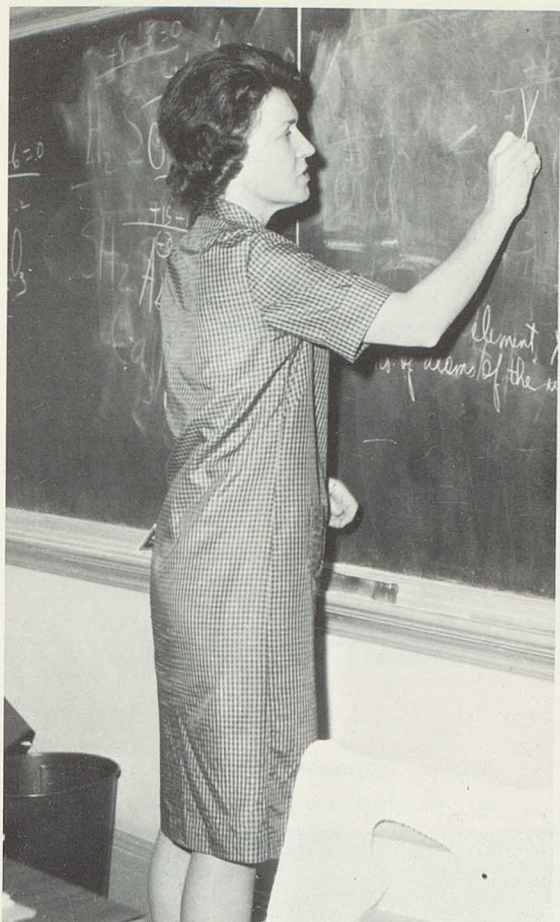

Physics and Chemistry students discover the many elements which compose our ever-changing world.

It's hard to believe all that goes on in one drop of blood!

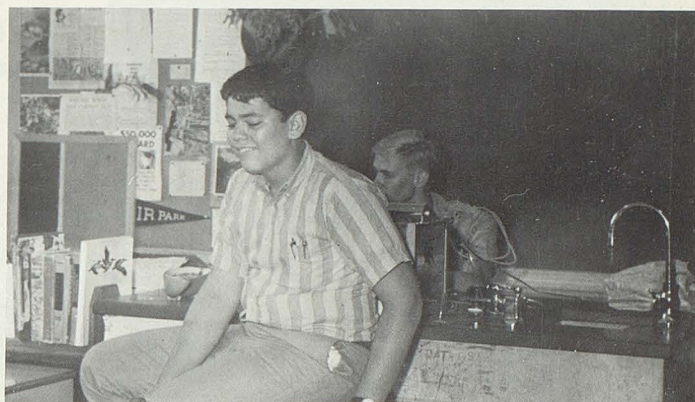

Hydrogen drives many students to the windows for a breath of fresh air.

Mrs. Guess is kept busy trying to explain the facts of chemistry.

Gail Dunahoe addresses the Junior Medical League which is closely connected with Biology.

Erwin Nichols recites chemistry with his eyes closed.

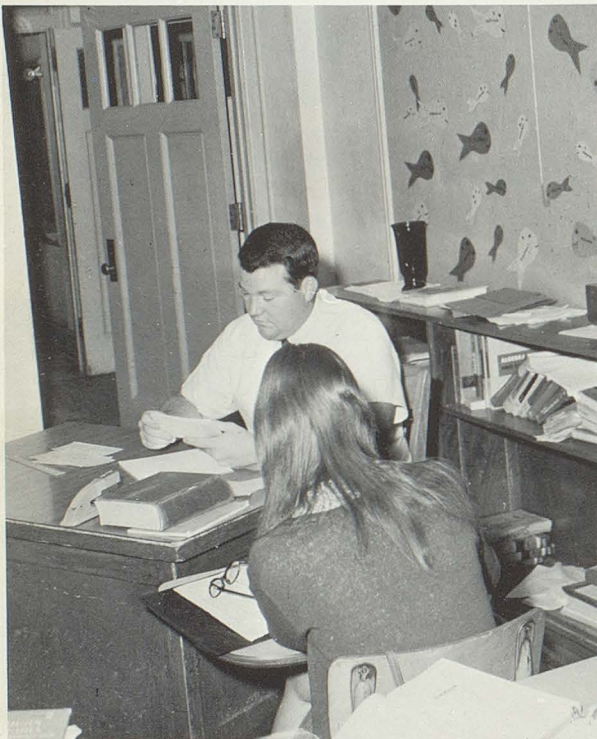

It takes analytical thinking to study biology.

Geometry can sometimes be amusing in Miss Fox's class.

Math

To the student of Fair Park, mathematics in some form is essential for the future. Two units of math are required for graduation. Many phases are offered at Fair Park; Business Math prepares the student for business school or any commercial job, while Algebra I and II, Geometry and Advanced Math lay the foundations for college courses. By working problems, listening to lectures, and watching demonstrations, students grasp a clear understanding of the mathematics around them.

Mr. Pettitt calls roll during his first period math class.

Mr. Harville is always ready to give aid to his students.

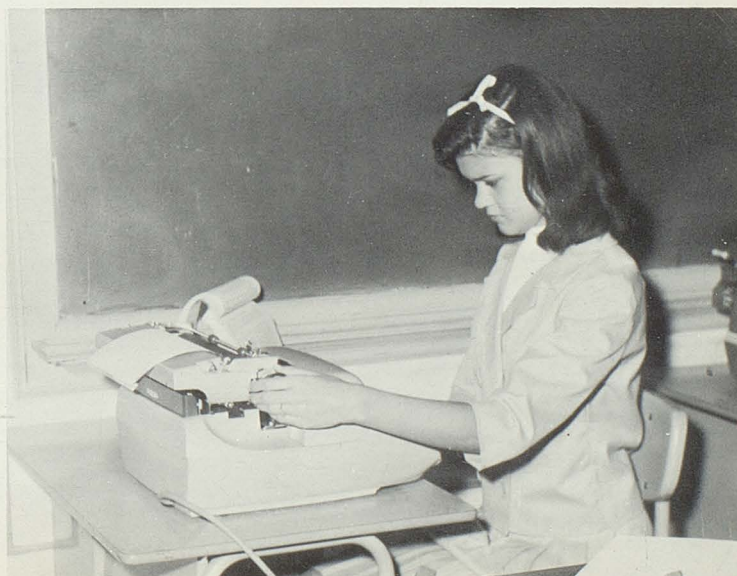

Praise is treasured.

Mrs. Reynolds recruits Mike Meagher for her General Business class.

Commercial

Many useful commercial courses offer students the opportunity for developing a firm foundation for a career in the business world. Students may choose from many varied courses such as Typing, Shorthand, Bookkeeping, Office Practice, General Business, and Business English. Some courses, such as Typing and Shorthand, prove to be useful to many who are not planning on a commercial career.

Mrs. McClellan is a firm believer in the old cliché "practice makes perfect".

Judy Tullos finds Office Practice a harder course than she expected.

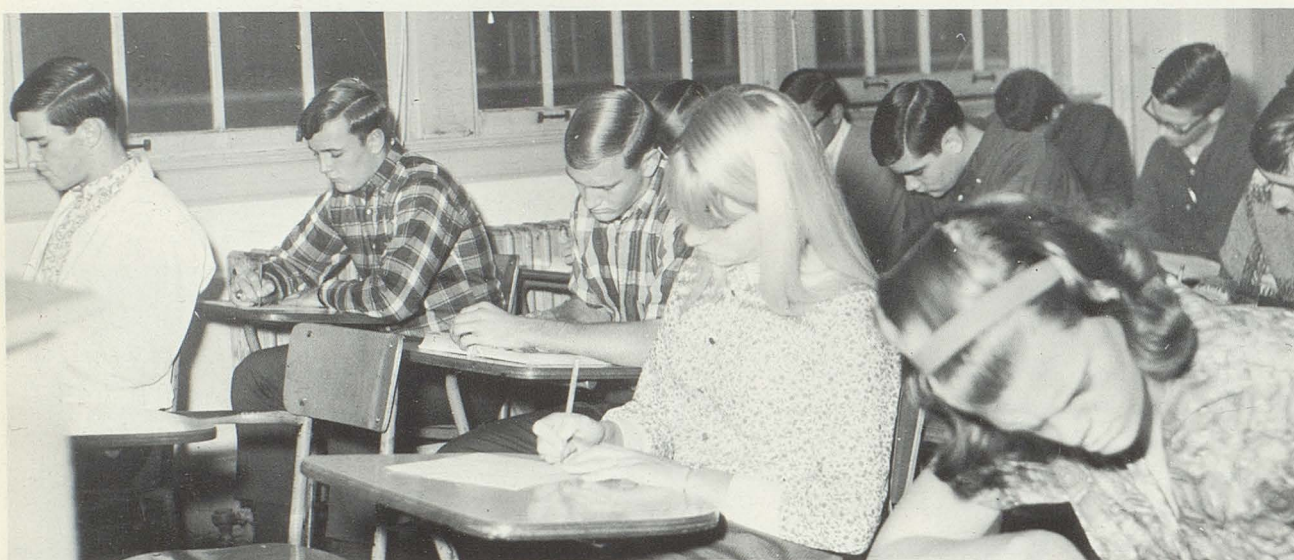

Social Studies

Students learn much about people and society today by studying the past generations and cultures offered in Social Studies courses at Fair Park. World History, Geography, and Economics are electives offered for students who wish to study further in Social Studies, while American History and Civics are required courses. Through these two courses, students learn the mechanics of government and politics which help build their foundations for voting and choosing government leaders.

Ken Johnson concentrates on his reading in American History.

Students in Mr. Humphrey's American History class study diligently.

Mr. Nutt being himself.

It comes easier to Larry Parker when he has a ruler in his mouth.

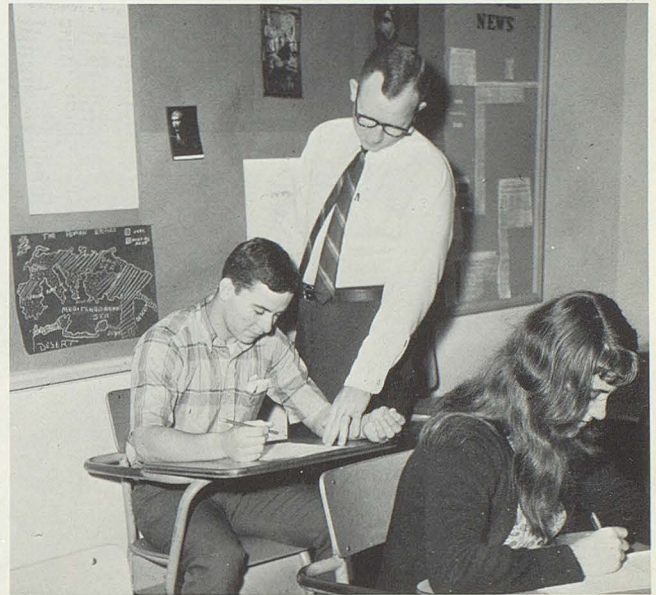

Ronnie Botica finds that outside reading supplements his Social Studies.

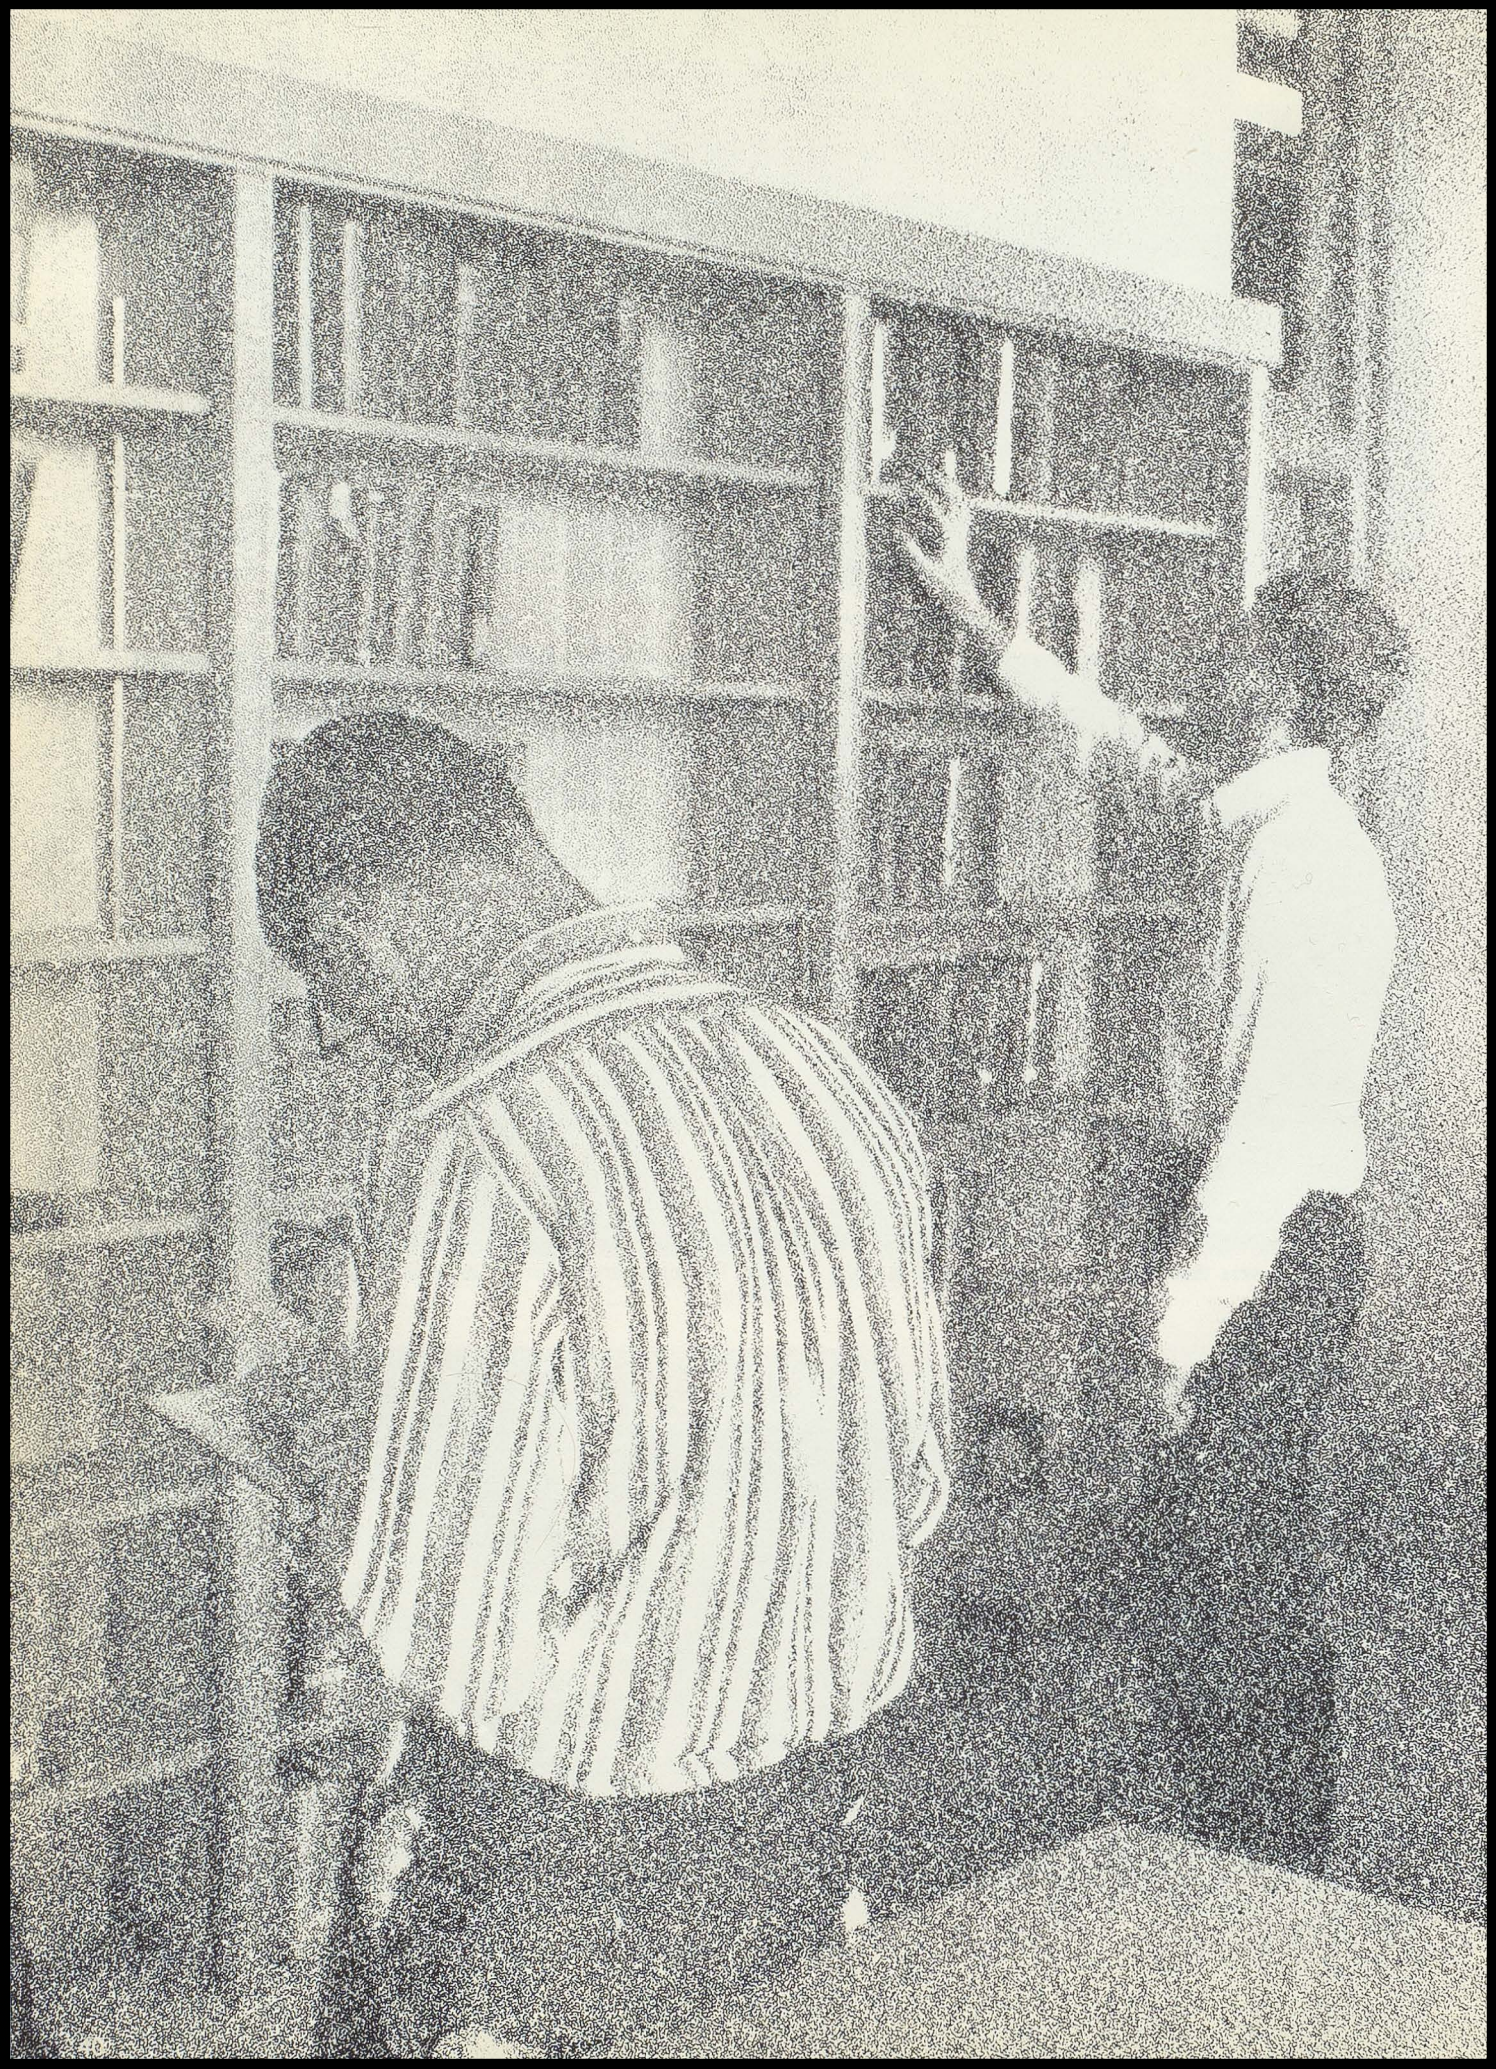

Mr. Slimer discovers that there is just as much excitement outside.

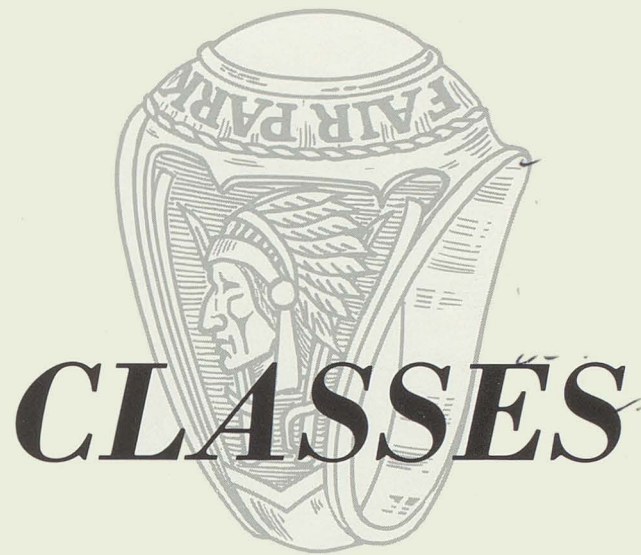

Mr. Reynolds directs Dennis Dans as he prepares his Geography charts.

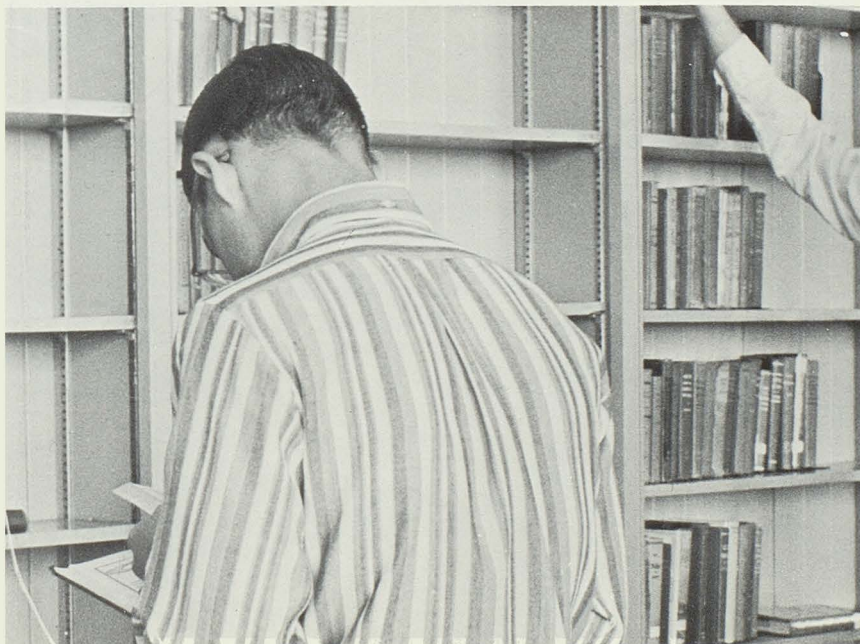

Mr. Jackson finds that you can help some of the people part of the time and part of the people some of the time.

Mardi Gras

1967

Jan Farmer was crowned Queen of the 1967 Mardi Gras at Fair Park by Ronnie Burns. The program was held on February 17. The theme of Mardi Gras was "Broadway on Review." Entertainment centered around selections from Broadway's hit shows.

Each lady of the Court was attired in a full-length pastel gown except the Queen who wore the traditional white gown.

Mardi Gras was sponsored by the Arrowettes. They sold tickets and decorated the gym for the Ball which followed the program. The "In-Crowd" provided the music at the dance.

Master of Ceremonies was Shep Akins and the Court Jester was Ernie Roberson. Young Bridget Biggio and Kelly Hawkins carried the Queen's train and Stephen Ruby served as Crown Bearer.

The basic aims of the Student Council are to develop and practice good citizenship, and to promote good relationships between the student body and faculty.

The Student Council urges the active participation of all students in its projects so that everyone may share in the responsibility for building school spirit.

Activities of the year included providing ushers for events at the Youth Center, sponsoring Homecoming, presenting the Student Council Talent Show, and collecting food to distribute to the needy at Christmas. Officers attended the state workshop and state convention. President Steve White attended the 15th Annual National Student Council Leadership Conference held at Camp Cheley, Colorado.

Among the projects of the Junior Red Cross this year were the tray favors made by the members at Christmas, New Year's, and George Washington's Birthday for the patients at the Veterans Administration Hospital and the Barksdale Air Force Base Hospital. They assisted in filling a school chest to meet the needs of the Vietnamese Children. The Red Cross also sold the Homecoming corsages and student directories, which contained the name, classification, and telephone number of every Fair Park student.

To help and serve others in any way possible is the purpose of the club. That has been the main objective this year as the members have helped others and benefitted themselves in the process.

The representatives chosen from each homeroom work under the direction of Miss Pat Fox.

Two members of the Red Cross work diligently to take down their entry in the teepee contest on Byrd Day.

The Fair Park High School Safety Council is a local chapter of the Louisiana State Youth Safety Councils. The main purposes of the Safety Council are to bring to the student body's attention safety practices which might save their life or limb in the future and to supervise and to regulate the parking of students and faculty.

Each year the Safety Council revises and reorganizes the parking regulations so that accidents might be eliminated and less confusion when school dismisses.

Also each year the Safety Council conducts a week of safety education. The week which is called "Safety Week" includes safety displays, bulletin boards, posters, pamphlets, films and fun.

Members of the SEQUOYAH Staff began work on the 1967 SEQUOYAH in September and continued the work throughout the school year so that the events you will want to remember could be recorded.

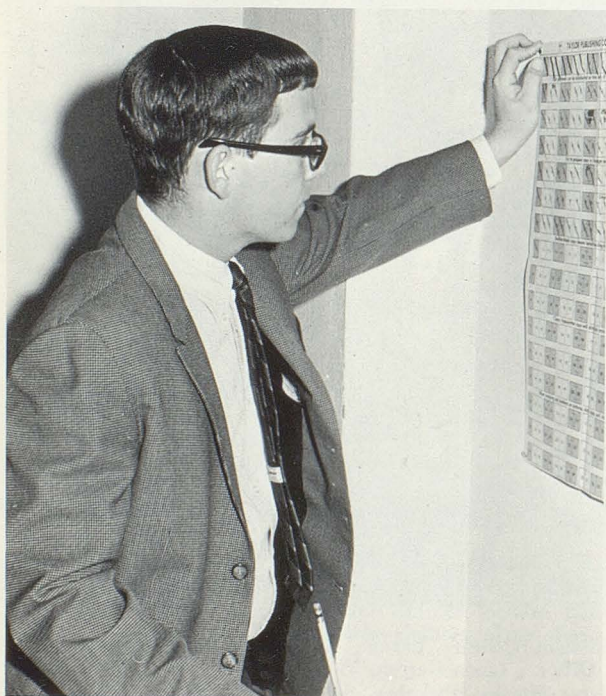

The work meant many sacrifices on the part of the staff as well as the advisor, Mrs. Reynolds. Many hours were spent in planning pages, writing copy, taking pictures, alphabetizing names, and cropping and stamping pictures.

We of the staff hope that we have recorded all the happy memories each student wishes to remember about Fair Park.

Mary Garrett, Rosemary Kilday, and Lynn Rasch place ads on the layouts.

The SEQUOYAH Ad Staff, beginning their work in the late summer, contacts prospective buyers in August. Each member of the Staff works to meet her quota of sales, the proceeds of which go to help to finance the publication of the yearbook and keep it at a reasonable price. Other duties of the members through the year include recording ad sales, typing statements, and verifying ads. Membership is gained by recommendation of all teachers and maintaining a "C" average. The two girls selling the greatest amount of ads are made Manager and Co-Manager. This year through the leadership of Manager, Bobbie Reynolds, and Co-Manager, Merriane McGuirt, the staff rose to new heights of financial success.

The girls, having qualities of charm, courtesy, and initiative, gain valuable experience in learning to meet the public. Under Mrs. Pat Fullerton's sponsorship the staff maintained their usual high record of sales.

SEQUOYAH Circulation staff is not always as organized as they should be.

The SEQUOYAH Circulation Staff is the organization which has the job of selling and distributing the yearbooks. Work is begun in September, when orders for SEQUOYAHs are placed, and continued through May, when books are delivered.

The SEQUOYAH Circulation Staff was organized in 1950 by Mrs. Ouida McClellan. Until

this time the Business Staff had handled the combined activities of the advertising and circulation staffs. Mrs. Norma Jean Brown assumed the position of sponsor in 1958.

The 1966-1967 staff consisted of fourteen girls who were chosen for their honesty and dependability. Each girl was recommended by a teacher and maintains a "B" average.

Pow Wow Editorial Staff

This year the POW WOW, the official news media of Fair Park, has made some sizeable changes. Last year's eight editors are now fifteen, its twenty reporters are now thirty-five and the POW WOW's eight pages are now ten.

The POW WOW is published on a monthly basis with special issues being prepared for Homecoming, Halloween, Beat Byrd Day, Christmas, St. Valentine's Day, and Easter.

With the help of its new sponsor, Mr. Glynn Tubbs, the staff covered all events concerning Fair Park and its students. The POW WOW received the Lagniappe Award for winning first place in the "First Newspaper Contest" sponsored by the Louisiana Scholastic Press Association.

Realizing its influence on the attitude of the student body a conscientious effort is always made to report the news accurately and without opinion.

Football Program Ad Staff is an honor bestowed upon girls at the end of their junior year. These girls are given this honor by members of the preceding staff and by teachers. The members get training in meeting the public and gain self-assurance and poise from their participation in the activities of the staff. In the summer the girls diligently sell their ads and a program is assembled. The ad staff can be found selling programs at each home game during football season.

Miss Loryne Martin organized the Football Program Ad Staff in 1938 for the purpose of helping the R.O.T.C. sponsors buy their uniforms. Mrs. Patricia Paul is the faculty sponsor for the staff.

Latin Club

The Latin Club centers its activities around Roman history, mythology, and Latin interests. The club is open to students who are taking Latin or have taken it two years. Meetings are held once a month.

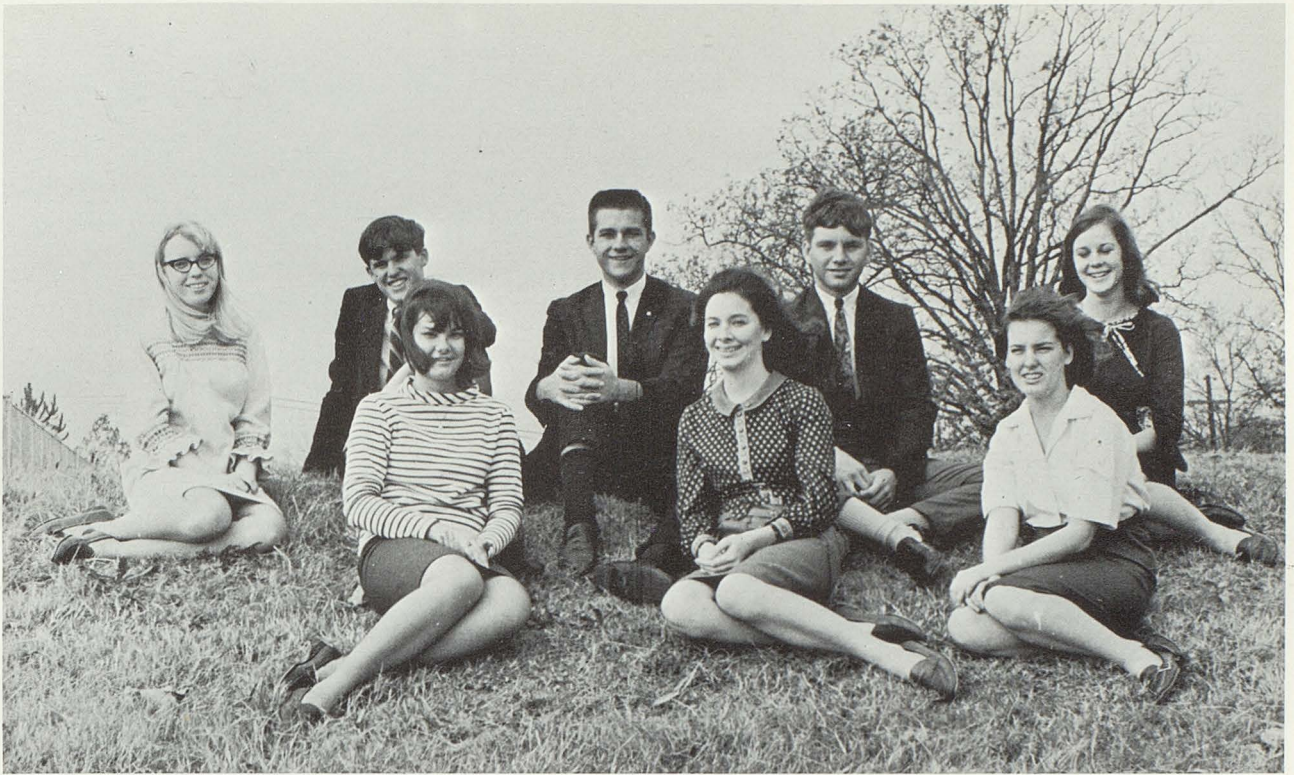

The Latin Club was organized in 1930, the second year of Fair Park's history. Miss Ann Brown was the first sponsor and the club had 76 members. In December of 1960 the first Saturnalia Banquet was held and has been a tradition since that time.

At the banquet the god, Saturn, is honored by Fair Park Romans. Members wear Roman costumes, recline at low tables to eat Roman food with their fingers, see that the slaves, first year students, work hard, and watch a Roman show performed in the arena.

The Louisiana Junior Classical League Convention was held at Fair Park this year. Consequently, all Latin Club members worked especially hard to host Latin students from all over the state.

Mrs. Johns is one reason for the successful Latin Club each year.

The objectives of the French Club are to gain a better knowledge of the French language, and to become better acquainted with the customs and traditions of the French people. The club is open to members who are taking French or have taken at least two years of the subject. Meetings are held once a month. At the meetings French Clubbers increase their vocabulary through French programs.

When school opened, the members helped with sophomore orientation and assisted teachers with assorted jobs. Throughout the school year, the Key Club sponsored many different projects.

The 1966-1967 Debate Club consists of seventeen members. The members attend practice debates at other schools in Shreveport, and they also hold debates at Fair Park. The Debate Club goes to several high schools and colleges throughout the state to

compete in tournaments. In addition to the debates, the debaters may enter individual events, including poetry and dramatic interpretation, oratory, and extemporaneous speaking.

Future Teachers of America is a school service organization which aids teachers in many ways. Members gain knowledge of all educational fields and gain experience that will be valuable to them in future years.

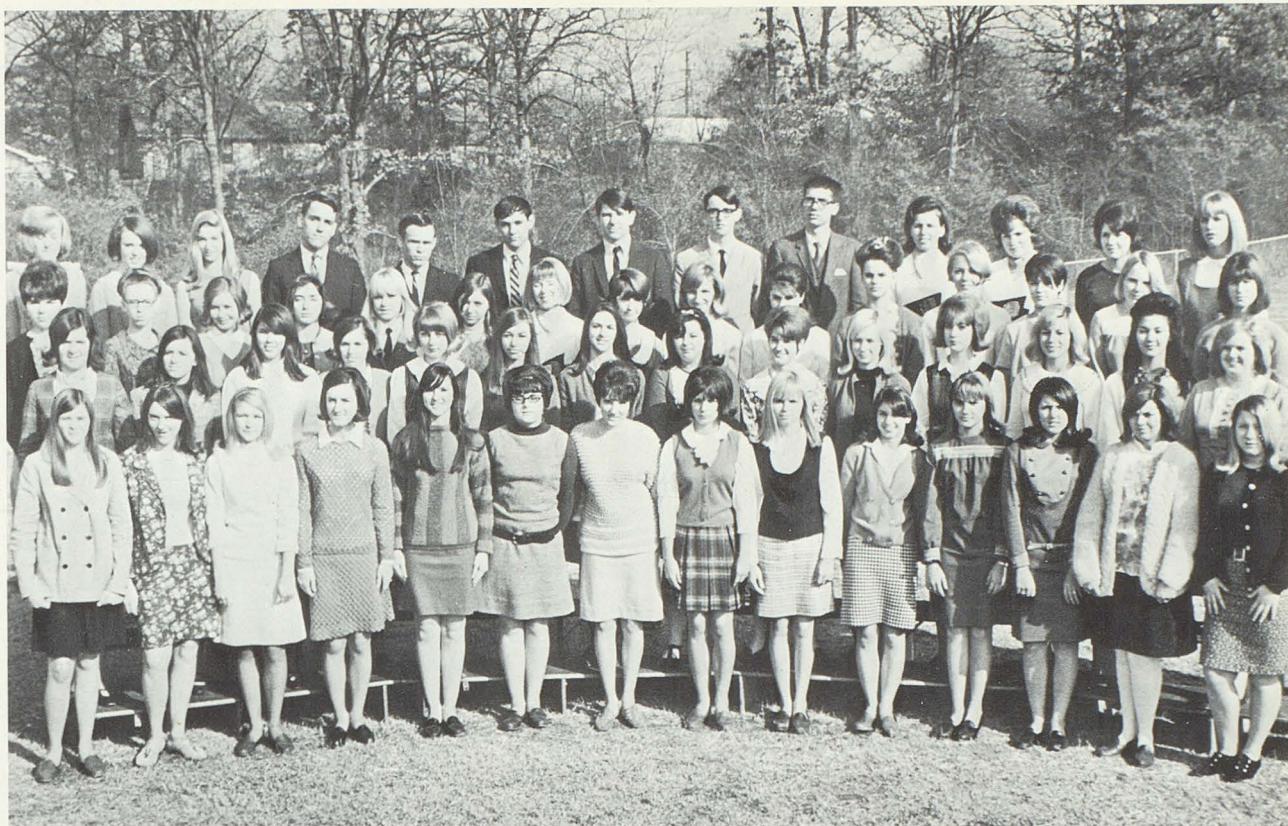

Invitations for membership are given at the end of the school year. The club is open to juniors and seniors. To qualify students must be recommended for membership by a teacher and maintain a "C" average. At the meetings, Future Teachers hear guest speakers who are usually teachers majoring in different fields.

This year the Future Teachers promoted Education Week in November with posters and bulletin boards. They sold candy to raise funds. They also attended a convention held at Byrd High School.

ALL-STATE. Mike Meeks

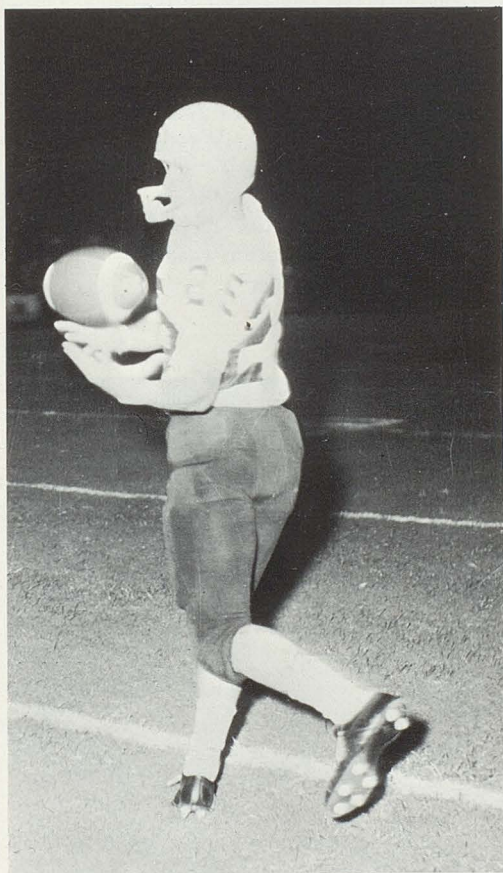

The Fair Park Indians football squad finished a very successful season this year with an 8-3 record. The Indians ended the season fourth in the 1-AAA district barely missing the opportunity to go to state playoffs.

This year John Miller's jersey, number 15, was retired from the Fair Park squad because of his record breaking AAA yardage record and his agility in leading the Indians to two great seasons. John Miller and Wayne Haney were voted most valuable players of Fair Park by the staff of coaches. The Fair Park Indians had seven players voted to the All-District team. Therefore we say that the Fair Park Indians feel more than just gratitude for Coach Roy Wilson and Fair Park's other fine coaches.

Fair Park 6 Airline 0

Fair Park's first game of the 1966 football season was played against Airline of Bossier City September 9. The first district outing of Airline was unsuccessful as they were run over by Fair Park 6-0. Fair Park scored during the first two minutes of the game on a 26-yard pass from John Miller to halfback Wayne Haney. The game was largely a defensive one as Dennis Dans and Shep Akins helped Fair Park's defense hold the Vikings scoreless throughout the entire game.

Fair Park 6 Woodlawn 13

The Fair Park Indians fought a defensive battle against Woodlawn but came up short of the mark as Woodlawn won the contest 13-6. Woodlawn scored first on an intercepted pass but Fair Park soon caught Woodlawn with a 28-yard pass from John Miller to speedster Wayne Haney. Woodlawn led Fair Park 7-6 at the half. The third quarter was scoreless but Woodlawn was able to score in the fourth after recovering a Fair Park fumble and afterwards marching into Fair Park's end zone.

John Miller makes a considerable gain against Bossier.

Jim Brown executes a moderate runback on a Bossier punt.

Fair Park 21 Neville 7

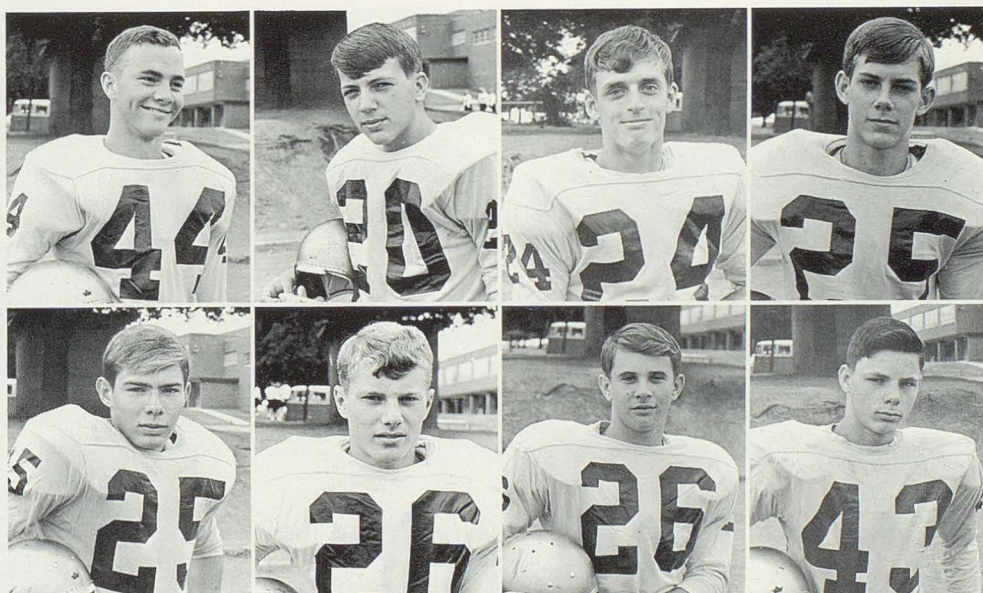

Fair Park's journey to face the Neville Tigers was not in vain as the tribe rolled past Neville 21 to 7. Fair Park scored first with a 58-yard pass to Terry Summerlin from John Miller. Neville soon jumped back to tie the score on a 21-yard pass of their own. The score remained tied until John Miller fired a 33-yard pass to Wayne Haney to lead 14-7 at the half. Fair Park's final score came with 1:49 left in the game as Jimmy Brown rushed into the end zone.

Fair Park 7 Ruston 14

Fair Park was on the road again, this time to Ruston to meet the Bearcats for the first time. Fair Park led 7 to 0 at the half as Shep Akins intercepted one of Ruston's passes and returned it 55 yards for a touchdown.

The second half was the Bearcats' as they marched 70 yards after an Indian punt for a score and also scored again in the fourth period to win the game.

Fair Park 27 Marshall 13

Fair Park was full of spirit as the tribe hosted Marshall in the homecoming game. Wayne Haney scored two touchdowns on passes of 33 and 38 yards from John Miller. John Miller scored on runs of 13 yards and 2 yards to lead Fair Park in rushing.

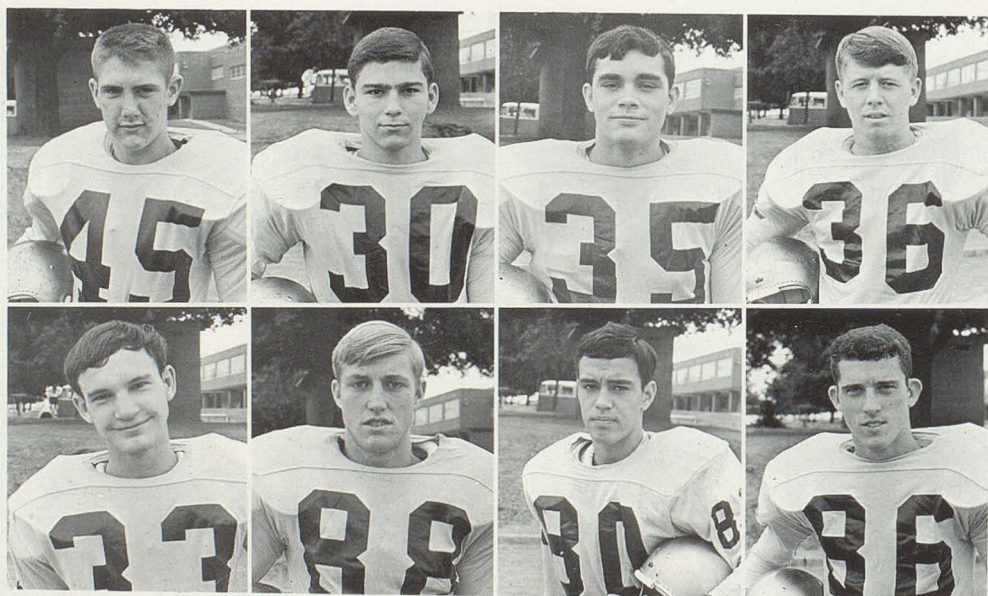

Fair Park's fine defense was kept alert by Marshall's efforts to outscore the Indians, but as usual the defense pulled through in fine style allowing Marshall only two touchdowns.

Fair Park 32 Bastrop 6

The Indians roared onto the football field full of spirit as they passed Bastrop 32 to 6. John Miller threw touchdown passes and James Cottrell threw another touchdown as Fair Park led the Rams throughout the entire game.

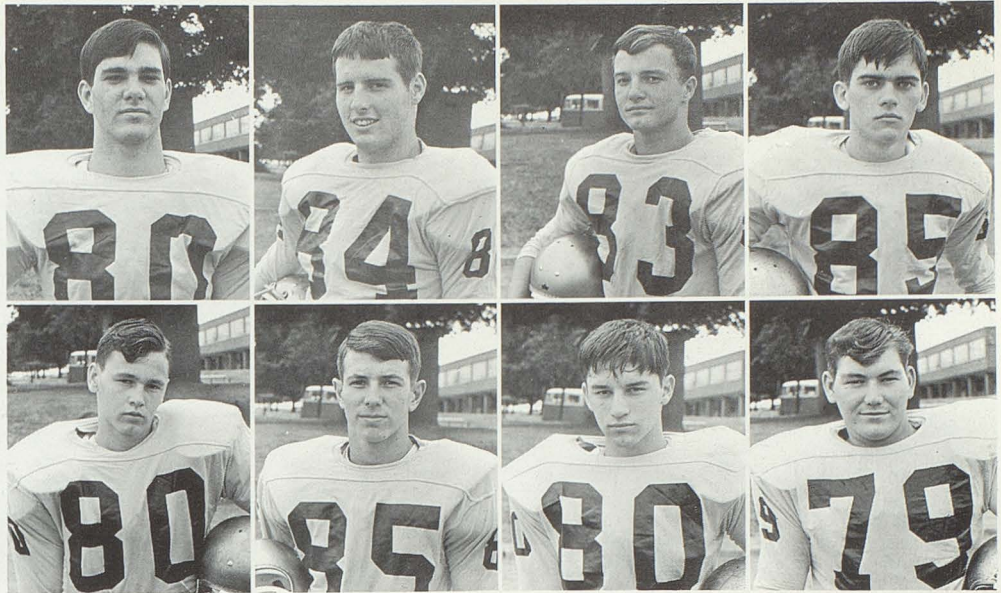

The Indian defense again showed its talent to stop all opponents as it held the Ram offense to 6 points. Fair Park's defense was almost as hot as the offense which scored at will.

Fair Park 35 Ouachita 7

The Indians were hot from the kick-off as they charged past the Ouachita Lions 35-7. Fair Park's John Miller started the scoring drive with a 31-yard field goal. Fair Park then kicked to Ouachita but the Indians' defense led by Robert Davis and Bobby Joe King stopped Ouachita and again Fair Park had the ball. From then on Fair Park was the master of the contest. Terry Summerlin received two touchdown passes, and Wayne Haney, James Peak and James Cottrell each ran for a touchdown.

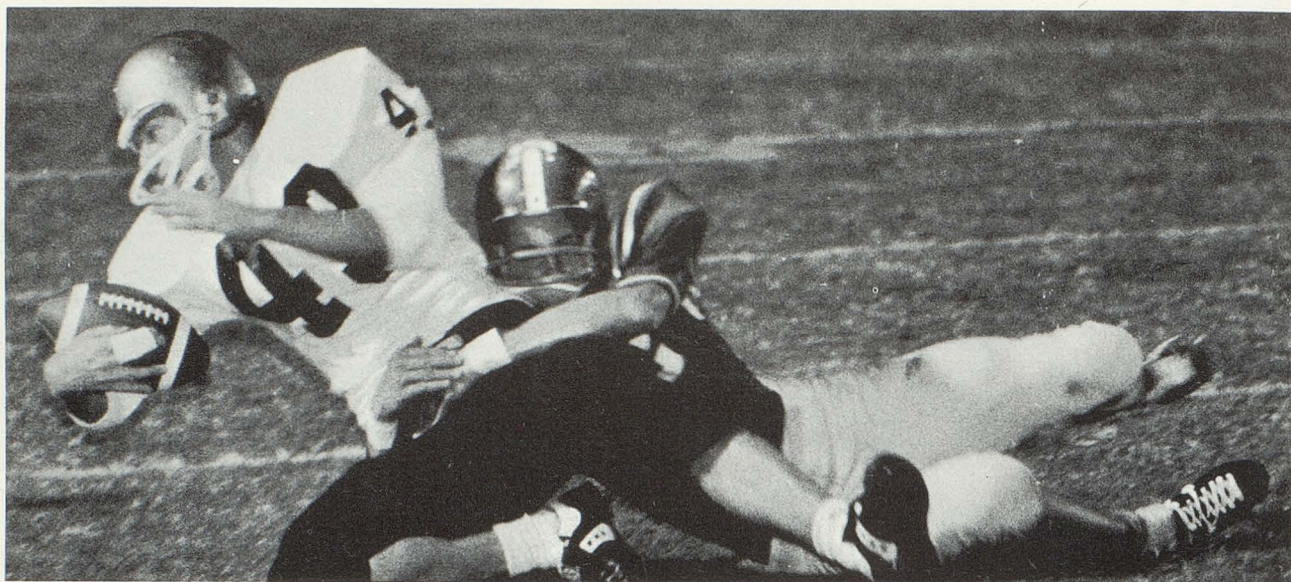

Fair Park 34 Bossier 0

The Fair Park Indians were again high in the scoring department, pacing Bossier 34-0. Wayne Haney and Jim Brown each scored twice and John Miller ran another touchdown to lead the scoring drive.

The defense must also be given a lot of credit for holding the Bearkats to 4 first downs and no touchdowns. Bossier was within the ten-yard line twice but were pushed back by the stingy Indian defense.

Jim Brown executes a perfect stiff-arm to elude a would-be tackler.

Shep Akins hauls in an interception that could easily have gone for a touchdown.

Fair Park 34 Jesuit 7

The Fair Park Indians were really out to win as they outscored Jesuit 34-7. John Miller passed the 3,000 yard mark as he threw for 5 touchdown passes and kicked 4 extra points. Wayne Haney led the Indians in receiving as he hauled in four of Miller's touchdown passes.

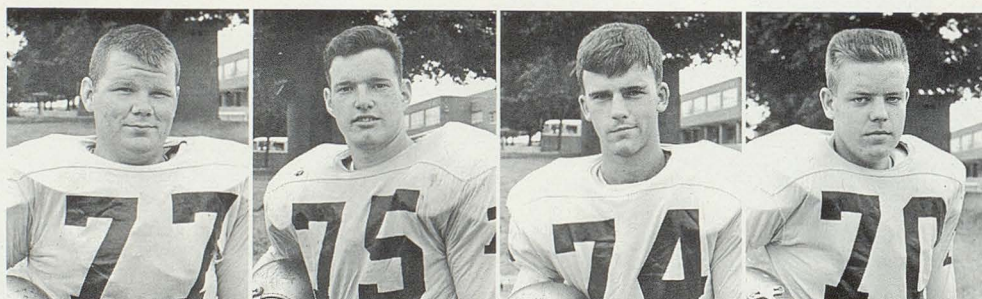

Fair Park's fine defense suffered a great loss as Robert Davis broke an ankle in the contest, but it still managed to hold Jesuit to a single score.

Fair Park 13 West Monroe 7

The Indians traveled to West Monroe and played on a soggy rain-soaked field, but defeated the Rebels 13-7. Fair Park scored first, but not until the second quarter when John Miller threw an eleven-yard touchdown pass to halfback Wayne Haney. Fair Park's fullback Jim Brown plowed his way through the West Monroe line to give the Indians the winning score.

The Fair Park Indians advanced in AAA standing as they won their eighth game of the season.

Fair Park 6 Byrd 7

The Fair Park Indians came onto the field prepared to battle the Byrd Yellow Jackets. The score at the half was tied 0-0 thanks to the tough defenses of both teams. In the third quarter James Peak broke loose and dashed 72 yards for a touchdown, but the extra-point attempt failed. After the kickoff Byrd marched back to score and their good extra point proved fatal as the Jackets beat Fair Park 7-6 in the arch-rival contest.

Senior End Lonnie Sibley assists another Indian to bring down a Ouachita Lions ball carrier.

John Miller shows the running skill that made him one of the most versatile quarterbacks in the district.

Basketball

Hours spent in the gym by the Fair Park basketball team will be long remembered. Even though the season record was 6-12 the team had some impressionable wins.

In Coach Daigle's second year as basketball mentor, the team could not better his first year's team record. Placing fourth in the Fair Park Invitational Tournament and placing Seventh in District 1-AAA were some of the accomplishments of the team.

COACH JAMES FARRAR

MANAGERS. Dickie Moore, Robert Edwards, and Larry Parker.

Baseball

Coach Farrar gives Pete Cole a few words of advice.

With Coach James Farrar still behind the wheel, the Fair Park Indians once again pushed on to another successful season. Since Coach Farrar came to Fair Park in 1962, he has not had an unsuccessful season.

With another highly triumphant season behind them, Fair Park and Byrd were declared Co-Champions in District 1-AAA.

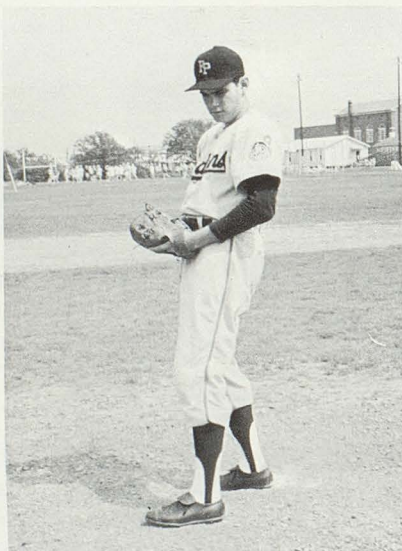

When the regular season ended, Fair Park and Byrd were in a tie for district championship. After a week of cancellations due to rain, the district chairman proclaimed Fair Park and Byrd Co-Champions in order for State Play-offs to begin.

Track

The 1966 track team headed by our new coach Steve Jordon, had a very successful season breaking many records. They set fourteen school records out of a possible eighteen. The track team traveled to several meets among which was the Lafayette meet in which they won the relays there.

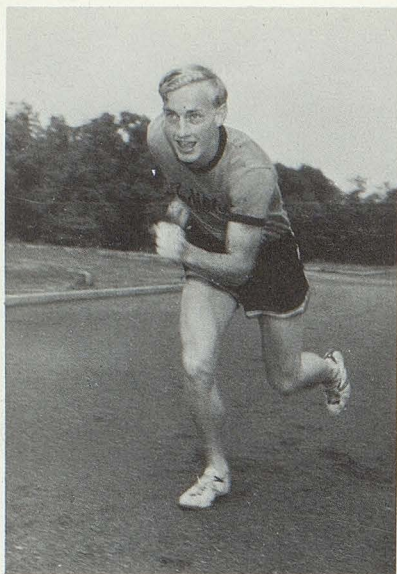

On a whole the season was packed with thrills and excitement. The Indians blazed a path of pride and honor as they prepared for each event and accepted the challenge of competition in sports.

The Gymnastic Club is a new organization. The objective of the club was to interest and inform girls about gymnastics. Gymnastics for women is the most feminine of all sports, although it takes great strength and agility to execute it well. The girls learned ballet and stunts on the equipment. They attended the Centenary Gymnastic Clinic where they had the opportunity to meet boy and girl gymnasts from colleges and high schools across the South.

Fair Park played teams from Airline, Bossier, and Woodlawn twice and defeated them each time. There were six lettermen returning from the 1965 team and twelve lettered from the 1966 team.

In the district match the girl doubles team of Donna Jolly and Diann Hicks reached the finals but were then defeated by Byrd.

The team was coached by Coach Daigle.

Arrowettes

Peggy Humphries, Colonel; Patti Guzzardo, Lieutenant; Mrs. Smelley, Sponsor.

The Arrowettes, one of Fair Park's most readily recognized groups has a membership of 155 girls from the sophomore, junior, and senior classes. These girls must maintain an overall "C" average. Membership in the Arrowettes is one of the qualifications a girl must have in order to run for cheerleader. Mrs. Emma Loyce Smelley serves as the Arrowette sponsor.

Arrowette activities include the annual candy sale, the sale of Indian penants; and they sponsor Mardi Gras

activities. The proceeds from these activities go toward the annual trip that the girls take each spring.

The pep squad practices long hard hours during the summer to perfect formations so that they can provide half-time entertainment at the football games. They also build enthusiasm at the basketball games with snappy hand routines and cheers. In addition, the Arrowettes marched in the State Fair, Veteran's Day, and Holiday in Dixie parades.

INDIANS

Cheerleaders And Big Indian . . .

LARRY PARKER
Big Indian

The cheerleaders are more symbolic of the spirit at Fair Park than any other one group. During the summer months of June and July, they spent many hours in daily practice to prepare for their trip to SMU cheerleader school in August. That week was one of pom-pom and tumbling classes, mass cheering sessions, and hours of practice and competition. Nine first-place ribbons and two second-place ribbons were brought home along with overall first place and the "spirit stick," which is a new honor for the Fair Park cheerleaders.

They decorated goal posts, made posters and banners, planned pep rallies, decorated the gym for pep rallies, and prepared Beat Byrd Day activities. Sending the team post cards every week to wish them luck was a new idea that the cheerleaders used this year.

The cheerleaders and their sponsor, Miss Laura Hixson, were guests at the annual football banquet which was held on Monday night, January 9.

The first Big Indian was chosen as the school's mascot in 1957 when the traditional war dance "Cherokee" was begun. Since that time, his duties have been aiding the cheerleaders in preparing for pep rallies and decorating for games. The Indian is chosen by the cheerleaders and a faculty group during tryouts held in the spring. The Big Indian wears a colorful costume of his own design as he boosts spirit at pep rallies and games.

Cadets Take New Role As Battalion Leaders

Rifle Team Commanders are well pleased with the team's scoring.

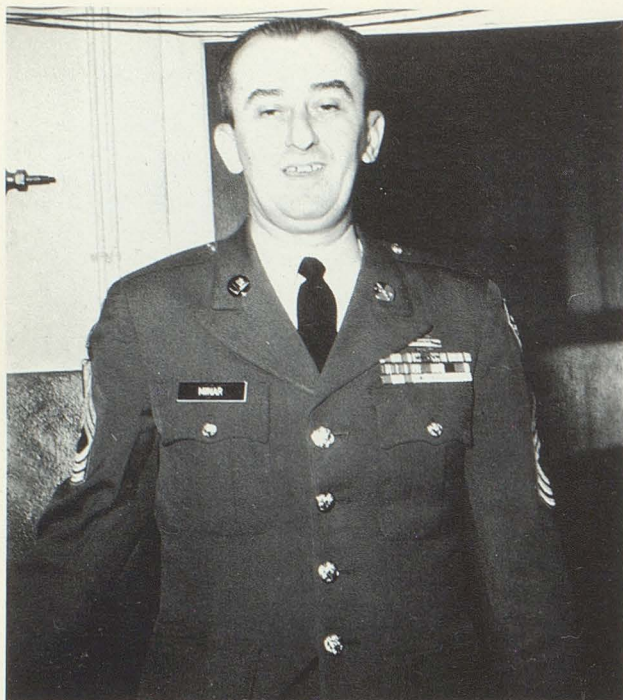

Special Staff Heads Competitive Teams

Instructing the Drill Team and Rifle Team is the task of a sharp and effective staff. The outstanding military students comprise the teams and obtaining the best from each man requires a knowledge of leadership and firmness of convictions.

The performance of these teams in competition and public performance is greatly dependent upon the ability of these officers to unify a team of individuals. The many awards and honors bestowed on these men are a credit to their abilities to uphold our tradition.

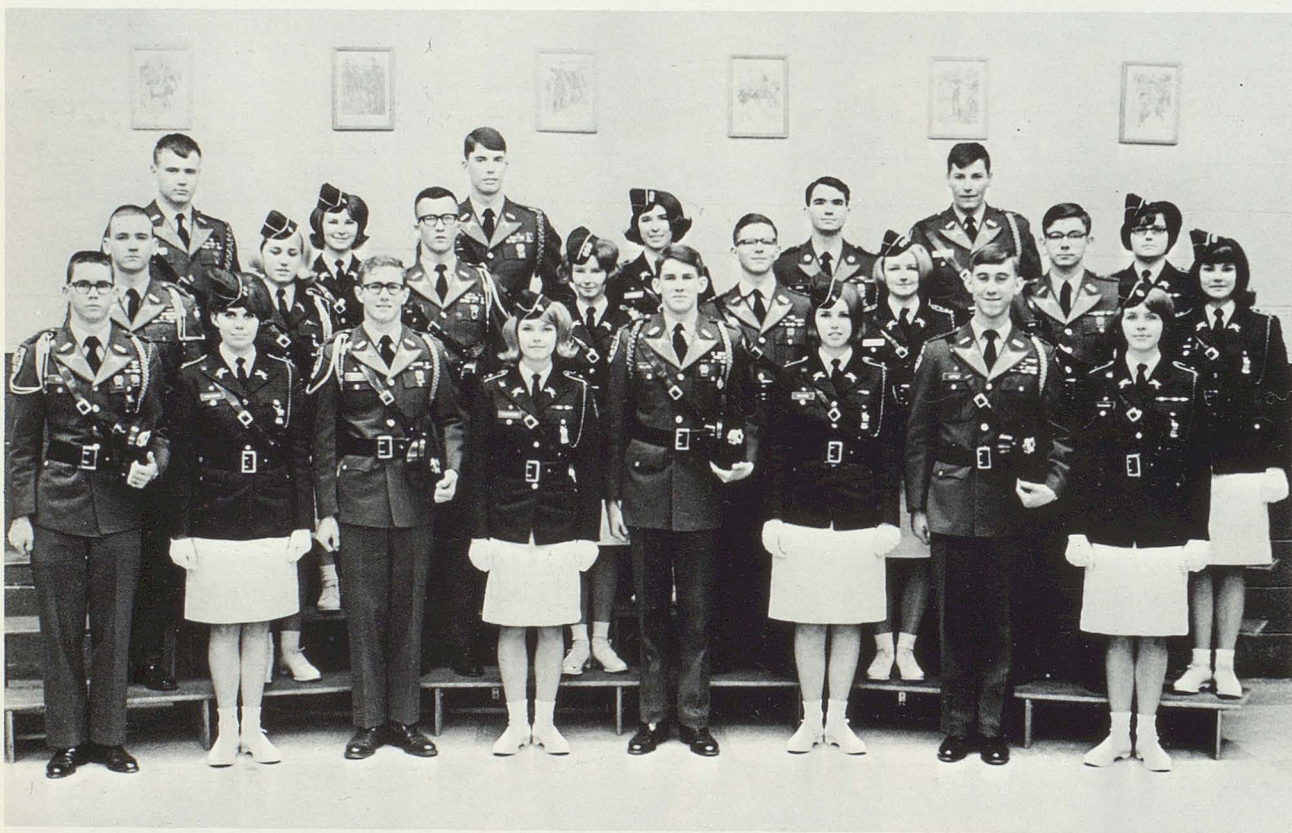

The Drill Team Commanders enjoy a minute of rest.

M/Sgt. EDWARD MINAR

Corps Directed By Battalion Staff

Fair Park's junior R.O.T.C. is directed by its Battalion staff, consisting of Battalion Commander, Deputy Commander, and six other officers and sponsors. Directed by the Regular Army military instructors, these officers are the commanding group of the Corps, and control and coordinate all of its activities. Politics of leadership and discipline are established by the staff under the guidance of M/Sgt Minar, Commandant of Cadets, and SFC Malone. Some of the objectives of this junior R.O.T.C. program are to give the cadets elementary military training, teach discipline and habits of orderliness and precision and develop a high sense of personal honor.

SPECIAL STAFF. *First row:* Frank Post, Judy Newhouse, Dave Sykes, Beverly Hutchinson, Dennis Williamson, Bobbie Du-bose, Tracy Little, Susanne Saunders. *Second row:* David Calvert, Faye Bumgardner, Barry Walters, Bobbie Reynolds, Roger Tanner, Patty Whittington, Larry Shaw, Melody Monk. *Third row:* James Price, Margaret Osborne, Don Gallemore, Jane Crockett, Don Jones, Gary Digilormo, Becky Armstrong.

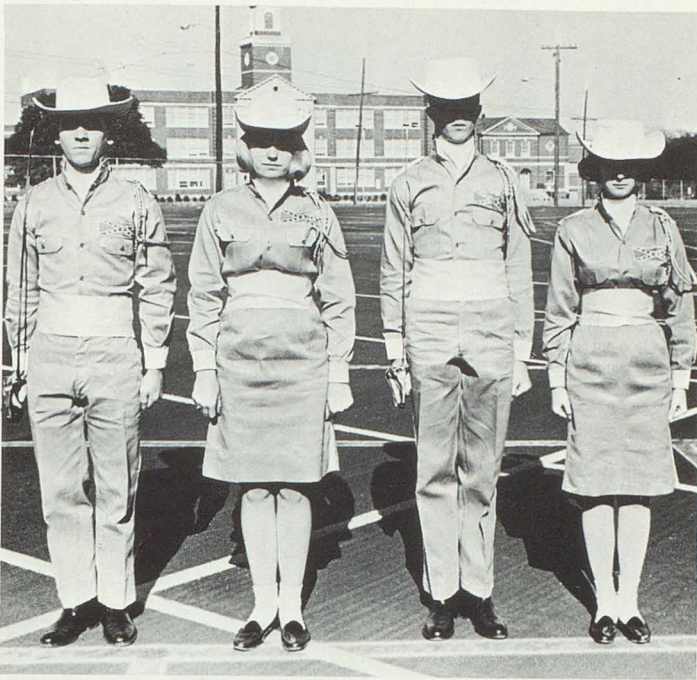

Drill Team is Still A Tradition

To many the word tradition means very little, but to the members of the Drill Team it means a great deal more than to the average person.

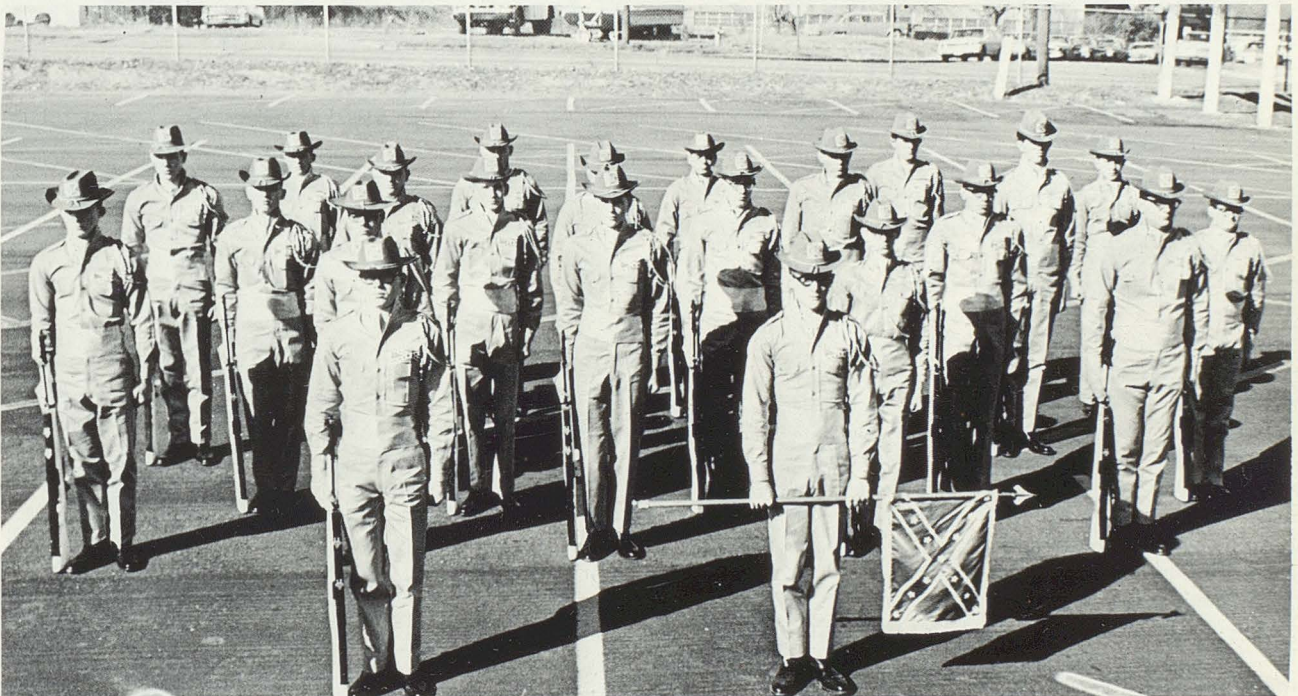

These cadets put in much after school time toward bettering themselves for a performance. By working hard through the years the Drill Team has become well known throughout the South. The reason the Drill Team is so sharp is because they have a sense of pride that surpasses any other competitive team of this type.

This year the Drill Team marched in the Cotton Bowl Parade in Dallas, Texas. They are the only competitive team of their type to have ever performed before a nationwide audience.

This year the sixteen cadet team's schedule included performances at Homecoming, the Holiday in Dixie Parade, the Fourth U.S. Army Competition at Arlington, Texas.

Maj. David Calvert, Maj. Faye Bumgardner, Capt. Barry Walters, Capt. Bobbie Reynolds.

First row: Frank Post, Dave Sykes. *Second row:* Tom McCann, Tom Sallee, John Brice, Ronnie Stewart, Eugene Cloud. *Third row:* Mike Basinger, Charles Collins, Millard McInnis, Robert Howard, Larry Kincaid. *Fourth row:* LaMoyne Batten, Bill Wood, Bill Grumble, Don Mooring, Tommy Bogue. *Fifth row:* Jerry Houston, Bill Prince, Phillip Watkins, Randy Edmonds, Gene Morton.

This is the Rifle Team that leads the City League in marksmanship.

Rifle Team Ranked 1st In City Competition

The 1966-67 Rifle Team was one of the most successful in recent years. All but one of last year's "A" team was back, and the team took full advantage of the large number of expert marksmen to bring the Fair Park Rifle Team many prizes.

The team's first match at Center, Texas, resulted in a second-place berth for the team and a number of individual awards.

In the City League, Fair Park took first place over Byrd, Woodlawn, Barksdale Air Force Base, and the Air Force Reserve.

The team set a new City League record of 1239 in its first match as two marksmen battled down to the wire for top gun in the individual City League standing. All of the team's members stood high in City League Individual Competition.

The team traveled to Houston, Orange, Center, and Arlington, Texas, matches and the Holiday in Dixie Match to complete a highly successful year. Fair Park can be justifiably proud of this team which brought much recognition to the school.

Editor's Message

During this year the yearbook staff has worked hard to preserve the memories of Fair Park High School for each student. It takes plenty of time and hard work to complete such a job. The people who have composed this yearbook will not receive enough credit for their endeavors. To each of them, I say thanks for the understanding and willingness displayed while working on the SEQUOYAH.

Many people other than the staff deserve our gratitude. To Mrs. Judy Reynolds, our faculty advisor, there is nothing I could say that would equal what she has done for our yearbook. The professional assistance of Mr. Milburne Alfred, photographer, and Mr. James Cobb, representative from Taylor Publishing Company, eased the task of producing the yearbook. A special thanks to Miss Sammie Banks, Mrs. Nellie Hearne, Mrs. Pat Paul, and Miss Inez Franz for their willingness to help.

And last of all thanks to everyone at Fair Park for the cooperation and the opportunity to serve Fair Park in this way.
